PRESERVING HISTORY

A Seminar for Organizations & Historians

The Cedar Lake Historical Association invites you to an afternoon at the lake. Join professionals and volunteers from preservation and historical organizations to learn, brainstorm, and network. A plated luncheon will be followed by an introductions, keynote presentation, and roundtable discussions on a variety of topics. The afternoon will close with a reception at the CLHA Museum and an optional brief tour. Contact Julie Zasada with questions at 219-390-9423 or clhamuseum@yahoo.com.

Our special guests: Serena Sutliff-Ard, Curator of Westchester Township History Museum; TJ McGovern of McGovern Consulting Group; Jane Lump of Strategic Innovation; and Jessica Renslow, Community Builder for Miller Neighborhood Spotlight.
