Letter from Our President

Dear Members,

Santa has left the building! September was a month of **"Falling into Christmas"** at the museum. From the delight experienced by young and old at meeting Father Christmas, singing Christmas carols with the Dyer Wind Ensemble, making leaf crowns, decorating cookies, and leaving notes for Santa on our tree, it was evident the museum came alive during this unique time. Head over to the Facebook page of **Another Reeves Original** to see photos from our season.

Despite the fact that the Resort History Cruises, museum tours, and summer weather have sailed past, we are pleased to share that we will be out in the community again with our **History Road Show!** We received a Crown Point Community Foundation Women's Giving Circle grant and will explore the historic village settlements of Cedar Lake in 5 presentations at sites throughout town from November 2018 to March 2019. Read more enclosed.

In other building-related news, we're happy to share that we received an **Indiana Historical Society Heritage Support Grant**, made possible by a grant from Lilly Endowment Inc. for \$8,823 to further work on engineering designs that are being used to plan for foundation repair and future building use. A gift of \$3,000 spurred a mini-campaign in which we raised an additional \$4,000 to perform interior construction work. And although Merrillville's "Twin Towers" are coming down, her Atrium Restaurant Deli will live on in Cedar Lake thanks to an extensive donation of kitchen and dining room equipment from I-65 and 30 Venture, LLC. **If you have time to donate sweat equity to the installation project this month - give us a call!**

Until next time,

Kaz Jackson

(Congratulations to our newlywed board President!!!)
